

# VERSATILITY WITHOUT COMPROMISE!

## Aren't You Entitled To Have A Certified Welder That Can Do It All?

- Repairing your hammer shanks and welding to modify existing press dies
- Welding and sizing-up salvage blocks and out-of-service dies to fill your needs
- High quality hammer and press repair parts that you can count on
- Hard-face weld overlays that extend die life. **SFP** weld is an affordable alternative to high priced die steels.

Take notice of the premier welding company in the industry – **Stellar Forge Products, Inc.**

We help you maximize all the valuable resources available to your forging operations.

Refurbish your parts/tools for lower costs and zero lead times with quality and versatility that is unmatched!

**STELLAR FORGE PRODUCTS, INC.**
