

SURVIVING THE TIMES

The economic slow down is felt by all, but no more than the manufacturing sector. Reducing head count and eliminating payables are more frequently entertained now than ever before. Having to keep everything in house, maintain your tooling and not have the resources at our disposal. What are your options? What can you do to feed your forging units under the pressure of this new edict?

Call **Stellar Forge Products**, the premier full service forging provider. We operate **LEAN**, and can still offer the top quality, competitive pricing and delivery you demand. Pricing is now #1 on your priority list, come to the total turnkey supplier that can help you meet your budget needs without sacrificing production.
